SUBJECT: Draft National Security Study Directive (NSSD)
on Scientific Communication and National Security

Judge Clark has asked me to follow up on the report of the National Academy of Sciences' Corson Panel. Attached is my draft of the NSSD tasking memorandum and terms of reference, which we have discussed with the NSC staff. Given the visibility of this issue we would like to submit the NSSD to the President shortly.

I will call each of you in about a week to determine who in your agency you will designate to work on this proposed study.
